Third Party Fair Processing Notices Appendix

Where third parties (such as the Scheme's advisers) are required to process your personal data in order to assist the Trustee or Company in administering the Scheme, those third parties may themselves act as 'data controllers' in respect of the way in which they process your personal data and produce their own fair processing notices (also referred to as 'privacy notices'). Various third parties have asked the Trustees to provide you with access to their fair processing notices which explain how they process personal data and meet their compliance obligations under privacy laws. The Trustee will publish any such notices, or links to websites containing those notices, in this Third Party Fair Processing Notices Appendix.

- b) process identification details of the Client Contacts in order to confirm their identities;
- c) check such Personal Data against databases of individuals who are subject to sanctions, classified as "politically exposed persons" or have committed crimes and to follow up any suspicions to ensure that the Manager complies with its anti-money laundering and terrorism obligations and to avoid fraud itself;
- d) record or monitor communications;
- e) use such Personal Data to meet the Manager's compliance and regulatory duties;
- f) transfer such Personal Data outside the European Economic Area and the UK and disclose it to anti-fraud organisations and law enforcement or regulatory agencies anywhere in the world,
